SATURDAY, OCTOBER 11, 1986

PHOENIX, ARIZONA

97TH YEAR

1986 — TURN BACK THE CLOCK — 1896

October 11 — All-day Affair
90th Birthday Party

Saturday, October 11, is the day for everyone in Elks 335 to celebrate the 90th birthday of our Lodge. The theme is stated above, and we plan to have a day totally reflecting the period of our origination.

The afternoon (12:30 to 4:30 p.m.) will be devoted to the enjoyment of our youngsters. Perhaps the biggest attraction will be the pony rides (yes, with live ponies). There will be races, such as three-legged, sack, wheelbarrow, and others. Plus food of the era . . . hot dogs, drinks, and more.

The evening is for adults . . . and 1896. All are urged to get into the spirit of the occasion with 1896 dress, if at all possible. We are assured personnel on duty in the Lounge and Dining Room will be properly attired for that special evening.

Prices will be rolled back to reflect the 1890's influence. Drinks will include: draft beer for 25¢, bottle beer and well drinks only 50¢, and call drinks for 75¢. When you go in for the buffet dinner, the charge will be \$2.95 per person, which includes tax and gratuity. Dinner will be served from 5:30 until 8 p.m. There are two choices: steamship round of beef or baked ham with pineapple sauce. In addition, there will be oven-browned potatoes, rice pilaf, peas, relish tray and salad. Of course, hot rolls/butter and beverage will be available. And you can top it off with dessert.

Dancing will be from 8 p.m. until midnight, with music provided by the popular Dave Chatfield group. As most of us know, they will play all types of music, including the modern (meaning 1980's) tunes. Additional entertainment will be provided by a Barbershop Quartet, at this time unidentified. But they will render more enjoyable music during the breaks.

Let's not forget, there will be judging to determine the best Gay '90's costumes. An award of \$25 will go to the couple judged the best. And the best dressed individual will also receive a \$25 award. A runner-up in each category will receive a bottle of champagne.

To defray the costs of this gala event, there will be a \$15 per person surcharge. Admission to the Lodge will be by ticket only. Advance ticket purchases are encouraged.

Remember . . . all are urged to participate. Enjoy our efforts to recapture the spirit of 1896. That was a good year . . . Phoenix Lodge 335 was initiated.

LOCAL BRIEFS

Lowell didn't put quite enough cement in his concrete job yesterday. The thing didn't stick.

Sam Tharpe yesterday filed location on the "Laura Barnes" mine in Superstition district.

Mrs. L.H. Chamlers and Mrs. C.P. Letich leave this morning for a visit to Flagstaff, where they will remain a few weeks visiting friends.

There is blood on the moon in Pinal county, brought about by the hasty and peculiar methods adopted by the republican county committee of that county.

Election for school directors will be held today in this city, for one member of the grammar school board and two for the high school. Several candidates are mentioned. All good representative citizens.

The old post office is being torn away as rapidly as possible to give place to the new three-story, plate-glass front to be erected by Judge Ed. Wells of Prescott.

Gardener Turner says that since his marriage he feels as though he could clean out the entire courthouse gang, and as though, if he doesn't change his mind, he will probably do it. Slankard and Boyd contemplate resigning before the little fellow begins operations.

In looking over the list of names published as protests against Block 41, not a few are recorded there who helped to make such a locality a necessity. If these men do not want to see prostitution prevail in Phoenix, they ought to stop patronizing prostitutes. This is plain talk, but it is true.

Jesus Sais was arrested on Friday on the charge of burglary. He is accused of having burglarized the Jose B. Prieto in this city. Jesus is an old offender, having served a portion of a term in the penitentiary for killing a chinaman, but was pardoned by Governor Hughes. Last summer he was in jail sixty days on a charge of misdemeanor. For the burglary he was arrested in Tempe and brought to Phoenix by Jose Encinias. Jesus is nearly dead with consumption contracted recently.

Col. Charles D. Posten has submitted to the board of supervisors a proposition to donate or rather lease his homestead at the Hole-in-the-Rock for a poor farm. His idea is that at this scenic point a perfect climate may be secured without the cost for land, as he offers to execute a lease for his natural life and as many years thereafter as the law will permit. It is said that water may be obtained by one or two plans: either by sinking a well sixty feet deep or by piping from the Arizona canal, two and a half miles distant.

INDIGNANT COMMUNITY

Chastity of Fresno Girls Assailed

Traveling Preacher's Remarks From The Pulpit

(A Committee Compels Him to Sign an Apology, Then Orders Him to Leave Town

FRESNO, MARCH 27 — The people of Fresno were aroused to a state of warm indignation this morning by the publication in the Morning Republican of an article denouncing Rev. I.T. Johnson, the traveling Evangelist, who has been holding meetings in the Methodist church for some weeks for having repeated from a pulpit a statement which he claimed had been made to him that two-thirds of the girls of this city were ruined before they reached the age of 14 years.

The paper also contained an interview with the preacher in which he having repeated the statement, but declined to give his source of information.

A citizens meeting was called this evening at which Johnson was made to appear. He at first made a general denial of the interview, but finally admitted he had repeated the slander attributed to him. Upon demand of the committee he signed the following categorical admission and apology: "Do you believe that the statements made by you regarding the chastity of the girls of this city which you claim was told you by a friend was untrue, and that you made a mistake when you repeated this statement?" "I do and that I will apologize to the community for having made the same." (Signed) "I.T. Johnson."

The foolish preacher was then ordered to leave town, which he did.

OUR COMMITTEES ACT

Democrats Show Their Anxiety
to Secure Statehood

On Friday, both the territorial and county committees of the Democratic Party acted promptly and have called the Executive Committees together to meet on Tuesday next, at which time an urgent appeal will be made to Congress to hasten the admission of Arizona. B.A. Fickas issued the following dated at Phoenix, March 27:

"A meeting of the Executive Committee of the Democratic Territorial Central Committee is hereby called to meet at Phoenix on Tuesday, March 31, for the purpose of taking action in regard to the bills for the admission of Arizona now floundering before the House Committee on territories, and to express to said committees the sentiments of this committee regarding same.

"Every Democrat feels a keen interest in this question, and the party as a unit is in favor of admission at the earliest possible date. Should it be impossible for you to attend in person, which I hope will not be the case, will you please mail or wire your proxy to some of the committee who will be in attendance so that there will be no delay in forwarding the result of the meeting to Washington not later than the first of next month. Yours truly,

"F.M. King, Secretary
B.A. Fickas, Chairman"

The Executive Committee of the Territorial Central Committee consists of: B.A. Fickas, Chairman; Frank M. King, Secretary; Wm. J. Mulvenon, M.J. Nugent, J.L.B. Alexander, J.T. Fitzgerald.

M.H. Williams, Chairman of the Maricopa County Central Committee, issues the following, dated at Phoenix March 27:

"The Democratic Executive Committee of Maricopa County, Arizona, is hereby called to meet at the Office of the Chairman on Tuesday, March 31, at 10 o'clock a.m., to take such action as may be deemed advisable to induce Congress to favorably consider Arizona's claims for statehood. Our party in its platform has declared for statehood; our people want statehood, and we feel that every effort in our power should be made to secure favorable action by Congress. Hoping that you will be present in person on Tuesday, but if you cannot come, you will send your proxy. Very truly yours,

"M.H. Williams, Chairman

THE ELKS INSTALLATION

A New Order Added to Phoenix

The Initiation is
Followed by a Banquet

The Installation performed by the
Worthy Brothers of Prescott Lodge

Last evening was added to the secret orders of Phoenix, Phoenix Lodge No. 335 of the Order of Elks.

Initiation of a class of about forty young bucks was made at Monihon Hall by Jacke Marks, Exalted Ruler of Prescott Lodge, acting District Deputy, assisted by a strong representation of Prescottites who before had known the weight of the antlers.

The initiatory services of the Elks are rumored to be something to be mentioned in gasping whispers, but the goat was soon a weary with the burden of Phoenix brawn. The membership had been recruited from among the very best, yet most "blooded" of the local masculine population and it is doubtful if a heavier job was ever tackled by any self sacrificing quadruped.

Then came the installation, the following named being seated as Officers: Dr. J.M. Ford, Exalted High Ruler; C.F. Morrell, Esteemed Leading Knight; Sol Levi, Esteemed Loyal Knight; Judge A.C. Baker, Esteemed Lecturing Knight; Mark H. Heissman, Secretary; L.J. Wood, Treasurer; and S.J. Michelson, Tyler.

Following the dread ceremoniam, the members by that time being in need of refreshments, the Lodge members and visitors formed column and marched to Shattuck's Cafe, where the following elaborate menu was discussed:

Eastern Oysters Raw, Queen Olives, Salted Almonds, Celery on Branch, Consomme Clear, Claret, Lobster Salad a la Mayonnaise, Lamb Chops Francaise Aux Petit Pois, Romia Punch, Chicken Salad French Dressing, Sauterne Young Turkey, Pommes Princess, Ham, Tongue, Parisian Potato Salad, Vanilla Ice Cream, Lady Fingers, Macarooms, Wine Cake, Edam Cheese, Water Crackers, Cafe Noir, Champagne, and Cigars.

With the cigars of course came oratory, and the fact that the midnight now had long passed was far from a damper on the wit and wisdom. The various toasts called for by Toastmaster J.M. Ford were: Prescott Lodge No. 330, "The Pioneer Elks," responded to by Jake Marks: Phoenix Lodge No. 335, "Sprouting Antlers," by Dr. Scott Helm: "Anticipation versus Realization," by Judge A.C. Baker. Then followed a melange of toasts and good stories and not till cock crow did the reveliers disperse.

Those present from Prescott were: Henry M. Walters, W.M. Thomas, A. Brow, B.M. Belcher, M. McCulloch, J. Marks, R.B. Dawson, J. Bagby, Ed Roberts, F. Williams, B.H. Smith, B. Goldwater, A.J. Herndon and J. Emmal.
